##### 2. Policy for overhanding tress & overgrown lots

Ms. Church reported that she and Troy at the Griffin Housing Authority are still working to develop a list of just Land Bank properties which the Housing Authority is maintaining. At this time, Mr. Ballard joined the meeting.

##### 3. Lacey Holdings, LLC

Mr. Galloway stated that the ball is in their court, as they did not respond to requests for a new date to meet.

##### 4. Central Lake

##### 5. Email addresses/Web site

Mr. Galloway agreed to have a gscclba email address. Ms. King noted that the August after agenda needed to be posted on the website.

##### 6. Contract working

Ms. King noted that there are several things missing from the current contract language that should be included. After discussion and advice from counsel, the standard contract will be amended to include language about the Side Lot Program, responsibility for demolition, and expenses to be born by the purchaser.

##### 7. Bethany Road

Ms. King requested that this be put on the agenda to remind the Board that there is still a road which the Land Bank owns which is in bad repair that people still live on. Ms. Windham reported that she'd had no response to the letter she sent in

response to the correspondence she had received from one of the resident's attorney and that she would follow up with the attorney.

8. 701 E. Tinsley Street

Ms. Church stated that a tree had fallen at 703 E. Tinsley, which the Land Bank owns, and was over the property line and touching the house located at 701 E. Tinsley St. She reported two bids for removal of the tree. Ms. King expressed disappointment that there were only two bids, and that a list of potential bidders had not been assembled since the last time the BLA was in a similar situation. Mr. Ballard agreed. After discussion of the two bids, Mr. Galloway moved to accept the bid from L&L Designs, Inc. as it was the lower of the bids. The motion included instruction to staff to create a list of tree removal companies, second to the motion by Mr. Ballard. Motion passed 3-1 with Ms. King disagreeing.

3. Report on donations –

- a. 704 E. Tinsley – pending title exam
- b. 421 N. 13<sup>th</sup> Street – pending title exam
- c. 823 Land Street – pending title exam

Ms. King asked about the absence of the property on Hwy 16 W, which has been on previous agendas. Staff reported that, while not sure if the title exam was cancelled, it was removed because the Board did not want to consider accepting it.

4. Report on sales –

- a. 33 Bleachery St. - \$1500 (co demo lien)
- b. 37 Bleachery St. - \$1500 (co demo lien)
- c. 212 Kendall Drive - \$800

Staff reported that the first two closing were done in tandem since the buyer was the same. Staff stated that the demo lien meant that the County would receive  $\frac{3}{4}$  of the proceeds from the sale, pursuant to our policy. Ms. Church did the closing on the Kendall Drive property.

She also stated that this property is ready to be closed. Mr. Galloway moved that the closing be scheduled, subject to the buyers executing a second addendum stating that they are responsible for demolition of the property based on the report from Charles Abbott & Assoc. Staff pointed out that the Board had asked for the county engineer to visit this house. According to her, it is not salvageable; and her recommendation is based on the RMB for the land only. Ms. King stated that Mr. Mayes is not maintaining the other properties he has closed on and that there had been at least one complaint about one of the properties. There was discussion of the other properties he is scheduling closings for, and Ms. Church stated that he may not want two of the Pecan Point lots because he has learned that the land won't 'perk,' so they are not buildable.
