PRICE SUBMITTAL FOR: DEMOLITION & DEBRIS REMOVAL SERVICES

Deadline for response: Friday, February 20, 2026 @ noon

PRICE STRUCTURE – Complete the following and include any associated information specifics for the cost quoted.

The purpose of these specifications is to describe the requirements to provide demolition and removal services at:

309 E. Tinsley St, Griffin, GA 30223.

Scope of Work: The Contractor shall provide all materials, labor, tools, equipment, supervision, utilities, insurance and consumables to complete the project as describe in the following specifications and shall include any and all items which, in the opinion of the Owners representative, would be reasonably expected to be foreseen by the contractor in the normal performance of a similar project. The successful bidder must provide responsive service within two (2) business days from the issuance of the related work order. Responsive service means acknowledgement of work order via email or phone call to confirm date and time of mobilization. If successful bidder is deemed not responsive, the City reserves the right to pull from other respondents. The work shall be performed in accordance with the following specifications and the attached asbestos survey.

Demolish the structure located at 309 E. Tinsley St and properly dispose of the resulting debris.

Asbestos Survey Report: Please see the attached asbestos survey report provided by Anderson Environmental. The referenced report becomes part of these specifications. There is no asbestos detected

Site Visit: Contractors are encouraged to visit the site and review the project prior to submitting a quote.

Monitoring: The contractor will be responsible for air monitoring during the project.

Permits: Permits if required and all associated fees shall be the responsibility of the Contractor. The Contractor shall comply with all laws, codes, ordinances, rules and regulations regarding work of this type.

Closeout Report: The contractor will be responsible for providing a closeout report for the project to include the project invoice, photographs, dump tickets and proof of permanent stabilization

Basis of Award: This contract will be awarded to the best-evaluated response to the Griffin-Spalding County Land Bank Authority for this assignment.
